

OUR MISSION

The North Carolina Veterans Business Association (NCVETBIZ) Supports,

Educates and Connects veterans and military spouses in Commerce in North Carolina with resources to become successful in business.

BRICK BY BRICK

We're building resilient veteran/military spouse owned businesses in North Carolina.

We provide access to valuable business resources, mentorship, and industry insights to equip veteran/military spouse owned businesses for success.

We advocate for policies that enhance veteran/military spouse business opportunities and provide direct assistance to help them navigate challenges and scale effectively.

We cultivate a powerful network of veteran/military spouse entrepreneurs, corporate allies, and government partners to expand opportunities and foster collaboration.

SPONSORSHIP OPPORTUNITIES:

Become a Sponsor – Build with Purpose. Lead with Impact.

The 2025 NCVETBIZ Procurement Summit is more than an event—it's a mission in motion. By becoming a sponsor, you're not just funding a summit—you're fueling the success of veteran and military spouse entrepreneurs across North Carolina. You're helping break down barriers, creating access to opportunity, and building a stronger, more inclusive economy—one contract, one connection, one business at a time.

Why Your Sponsorship Matters:

- Directly impacts lives. You'll help transitioning service members, veterans, and military spouses turn their experience into thriving enterprises.
 - Aligns with your mission. Sponsorship showcases your commitment to leadership, innovation, and economic inclusion.
 - Expands your reach. Connect with government agencies, prime contractors, and a highly engaged audience of veteran-owned and small businesses.
 - Positions your brand as a catalyst for change. Be recognized as a company that builds legacy—not just profit.
- Whether you're seeking to enhance supplier diversity, strengthen community engagement, or lead in corporate citizenship—this is where visibility meets meaningful impact.

Will you help us BUILD the future of veteran entrepreneurship?
